

FIRM OVERVIEW

Norwest Mezzanine Partners. Investing junior capital. Partnering with private equity sponsors.

WHO WE ARE

Sponsor-friendly investment partners

Partnering with private equity sponsors is a key tenet of our investment philosophy. We invest subordinated debt and equity to support their investments in growing and profitable middle market companies.

Flexible investment solutions

Creating unique junior capital solutions for private equity-backed transactions, we are committed to being thoughtful and creative investment partners.

Established reputation

We were founded in 2000 and have built a strong reputation of making successful investments and generating exceptional returns.

Committed, long-term investors

Investing our capital benefits multiple stakeholders and helps create positive economic impact for companies. Our current fund is NMP IV - \$1.2 B.

Approach

Operating in a quick and decisive manner throughout the entire transaction process, we invest a combination of subordinated debt and equity securities in private equity transaction.

Performing as long-term, company-centric investors committed, we help to align interests for all involved parties. We measure our success by the accomplishments of our sponsor partners and their portfolio companies.
